The 9th International Conference on Control, Automation and Information Sciences (ICCAIS 2020) is going full virtual and will be held 16 – 19 November 2020.

The scope of the conference covers all theoretical and practical aspects of control, automation and information sciences. From the comfort and convenience of their homes or offices, ICCAIS joins together leading researchers, engineers and scientists in the domain of interest from around the world.

An exciting range of sponsorship opportunities have been developed, each containing benefits that will ensure your organisation receives maximum exposure. Sponsorship packages have been designed to suit a range of budgets. Early confirmation of your Conference sponsorship will ensure an even higher level of exposure.
Why sponsor ICCAIS 2020?

Delegate Development
Your company has the opportunity to benefit significantly from exposure to a relevant and influential audience in an informal yet informative environment. The delegates are the leaders in a range of disciplines that are critical for future information and control systems including artificial intelligence, information warfare, control of advanced systems, the cyber protection of critical infrastructure and autonomous systems.

Benefits plus +
Your company’s involvement, commitment and support for ICCAIS 2020 will be widely acknowledged leading up to and during the Conference. To increase your visibility to the delegates it may be possible for you to customise a package.

Exclusive brand exposure
There are many ways to give your brand prominence at an Online Conference. We offer a range of sponsorship packages to ensure you are given the best exposure.

Customised packages
An option to discuss a tailor-made customised partnership package that promotes the benefits of your products and services in a unique way is available. The alignment of the Conference program to sponsor company products and services will deliver a meaningful connection to the delegates.

Virtual Exhibition

Virtual Exhibitions, like a live exhibition, is a place where exhibitors can interact with attendees in an exhibition hall. Exhibitors staff their virtual exhibition stands, and attendees wander around the hall, stopping by different stands and interacting with stand personnel. When an attendee selects a stand they wish to visit, they can ask to have a virtual conversation with the exhibitor. Exhibitors can share a PowerPoint and optionally can record their interactions.

An exhibitor stand is included in some of the above packages, to add an Exhibitor stand you may do so at the below cost:

Exhibitor Stand $2,500
